Dear Rolling Plains,

We are writing to express our appreciation for the exceptional work your team performed on the A East Ground Load Project. Throughout the duration of the project, Rolling Plains consistently adhered to all safety protocols and requirements, ensuring a safe work environment for everyone involved.

Your team demonstrated a high level of professionalism and commitment to maintaining our safety standards, and we were very pleased to observe that all tasks were completed without any safety incidents or concerns. The work performed met all our expectations both in quality and in safety adherence.

We greatly value our working relationship with Rolling Plains and appreciate the emphasis you place on safety and quality. We look forward to the opportunity to collaborate with you on future projects.

Thank you once again for your hard work and dedication.

Sincerely,
