

Lightweight Insulated Concrete (LWIC) Division

Job Title: LWIC Finisher

Location: Austin, TX (Also accepting AZ applicants)

Employment Type: Project (approximately 10 months)

Project Start Date: July 20, 2026 (approximately)

Schedule: 58-hour work week, Monday-Saturday (Saturday required)

Pay Range: \$35-\$40/hour

About the Role

Rolling Plains Construction Lightweight Insulated Concrete Division is seeking three experienced LWIC Finishers to join our team. These roles are responsible for overall installation of the LWIC system including finishing, EPC board installation, material staging and handling. The ideal candidate is an experienced and skill LWIC Finisher.

While this project has an estimated timeline of approximately 10 months, there is potential for continued employment on future projects based on successful performance and workload.

Key Responsibilities

- Overall installation of the LWIC system
- Skilled LWIC finishing
- EPS board installation
- Material staging

Qualifications

- Prior successful experience as an LWIC Finisher
- OSHA 10 preferred

Physical Requirements and Work Environment

- Must be able to stand, walk, kneel, climb, lift and more throughout each shift
- Must be able to work in outdoor environments throughout each shift
- Must be able to adhere to safety protocols

How to Apply

Interested candidates should submit an online application at talent.rollingplains.com and Email resume to Porfirio Alvarado Jr at Porfirio.Alvarado@rollingplains.com. Please include "LWIC Finisher" in the subject line.

Equal Opportunity Statement

Rolling Plains Construction is an equal opportunity employer. We consider applicants for all positions without regard to race, color, religion, sex, national origin, disability, veteran status, or any other protected status in accordance with applicable laws.
