Rolling Plains Construction Project Manager

Job Title: Project Manager

Location: Nationwide Opportunities

Employment Type: Fulltime

Schedule: 40-60 hours per week

Wage: \$100,000- \$130,000 Yearly

About the Role

Rolling Plains Construction is seeking an experienced and highly motivated Traveling Project Manager to oversee and manage construction projects across the United States. This role is responsible for leading projects from preconstruction through completion, ensuring they are delivered safely, on time, within budget, and to the highest quality standards. The ideal candidate is a strong leader, an effective communicator, and thrives in a fast-paced, travel-based environment.

Key Responsibilities

Manage all phases of construction projects, including planning, scheduling, budgeting, and execution

- Travel to project sites nationwide and maintain consistent on-site leadership
- Coordinate with general contractors, subcontractors, and internal teams to ensure project success
- Oversee project schedules and proactively address delays or challenges
- Monitor budgets, track costs, and ensure financial accountability
- Ensure compliance with safety standards, company policies, and client requirements
- Lead project meetings, provide regular updates, and maintain clear communication with stakeholders
- Review contracts, drawings, and specifications to ensure project alignment
- Manage procurement of materials and coordinate logistics for traveling crews

- Mentor and support field staff to maintain high performance and morale

Qualifications

- 5+ years of experience in construction project management (Required)
- 2+ specialty trade Fireproofing experience (Preferred)
- Willingness and ability to travel extensively (75–100%)
- Strong knowledge of construction processes, scheduling, and cost control
- Proven ability to manage multiple projects and priorities simultaneously
- Excellent leadership, communication, and problem-solving skills
- Proficiency in project management software and Microsoft Office Suite
- Ability to read and interpret construction drawings and specifications

Preferred Qualifications

- Experience in fireproofing, coatings, or specialty trades
- OSHA certification (10 or 30)
- Bachelor's degree in construction management, Engineering, or related field (or equivalent experience)

What We Offer

- Competitive salary commensurate with experience.
- Comprehensive health, dental, and vision insurance plans.
- Retirement savings plan (401k) with employer matching.
- Paid time off and holidays.
- Professional development and training opportunities.
- Dynamic and collaborative work environment with opportunities for growth.

How to Apply

Interested candidates should submit an online application at talent.rollingplains.com and send resume to hire@rollingplains.com. Please include “Project Manager” in the subject line.

Equal Opportunity Statement

Rolling Plains Construction is an equal opportunity employer. We consider applicants for all positions without regard to race, color, religion, sex, national origin, disability, veteran status, or any other protected status in accordance with applicable laws.
